

THE UNITED JEWISH FEDERATION OF SAN DIEGO – MAKING THINGS POSSIBLE

Your gift to Federation provides funds to help secure a bright, lasting future for the Jewish people and immediate relief and support to all people in need worldwide. These are some of our highest Jewish values. **UJF connects you to the community you care about.**

ISRAEL AND OVERSEAS

One of Federation's top priorities is to strengthen Jewish communities in Israel and in 70 countries around the world. We promote connections and provide aid to every sector of society.

Through the UJF Israel Center, we work to strengthen the bond between our local community and the people of Israel, offering innovative programs and services.

CHILDREN AND TEENS

With dedication, innovation and creativity, we give kids compelling reasons to participate in the Jewish community. Federation funding of a wide variety of programs make it possible to strengthen Jewish life for future generations.

CONNECTING YOUNG ADULTS

Young adults have the ideas and enthusiasm to energize and broaden our community. Federation supports programs for young adults to network, experience Jewish life and build community, offering them the right opportunities to connect and explore.

JEWISH IDENTITY

Strengthening our Jewish identity is a lifelong journey and essential for the Jewish community to survive and thrive. Federation funding supports programs to help us learn about our shared history, culture, traditions and innovations.

Federation provides funds to improve the lives of millions of people worldwide. Federation partners with both national and international organizations, including the Jewish Agency for Israel (JAFI) and the American Joint Distribution Committee (JDC) to help care for Jews in need and strengthen Jewish identity throughout the world.

Locally, Federation supports the work of over 15 partner agencies, schools, campuses, youth groups and community service programs.
